

NEW YORK CURB MARKET

WEDNESDAY, FEBRUARY 15, 1922

BUSINESS NOTES AND TRADE NEWS

Railway Equipment Stocks

A clear and concise discussion of the market position and earnings outlook of Railway Equipment Stocks.

Is Firmer.

Although staple lines of furniture here are inactive, manufacturers and importers of specialty lines seem to be optimistic in the way that buyers are placing orders.

Spot and float burials remains unchanged, but dealers are firm in their opinions, according to a statement issued yesterday by C. E. Rockrook, a local burials broker.

Plan Read Exhibition.

Of interest to manufacturers and importers of beads is the announcement of the New York Society of Craftsmen of an exhibition of various types of beads to be held at the Art Center in the latter part of this month.

Imported Rugs Sell Poorly.

Rug importers are beginning to voice the opinion that high foreign prices and high transportation costs are at the bottom of much slack rug buying.

Good Tone to Gray Goods.

Trading in yesterday's local gray goods market continued to be on a firm market basis, following strengthening tendency in New York.

ELEN & CO. STOCK SUBSCRIBED.
